Oslo, January 31st, 2005

Norwegian Special Mission AS is proud to announce the award and signature of a contract to supply our newest Nav aids Flight Inspection System – The UNIFIS 3000 - to Japan Civil Aviation Bureau (JCAB). The equipment will be installed in a factory new Bombardier DASH-8 Q300. NSM has been awarded the contract in an open public tender process with bid closing on the 25th November 2004. The prime contractor is the representative of Bombardier Aerospace in Japan, Sojitz Corporation. Fully Operational Nav aids Flight Inspection Aircraft will be delivered to Tokyo in December 2006.
