**Mission completed. NSM receives EASA certification (STC)  
for the new UNIFIS 3000 installed in the Czech Republic  
CAA's Cessna Citation Excel Aircraft.**

---

On a contract with Omnipol a.s for the Czech Republic CAA, Norwegian Special Mission was once again trusted to provide systems and services to the same customer. NSM produced the system through spring of 2007. The installation and final EASA certification was completed in December 2007. The Cessna Citation Excel is a well known and highly suitable special mission aircraft. The Citation 560XL models are EXCEL, XLS and the latest XLS+.
